Angus, Ontario L0M 1B2

Phone: 705.424.1026
Fax: 705.424.0462

Dear Parents and Guardians,

Welcome to the 2020-2021 school year. This year we will continue to focus on student voice and engaging in prayer to celebrate our faith as we strive to develop the God-given abilities of each individual student in our school.

We encourage all parents, students and staff to actively participate in our school initiatives and hope that you all feel supported as you progress throughout the year. We will be using 'talking circles' and restorative practices to help address any concerns that come up. At any time, however, we encourage open communication with all stakeholders.

The agenda is a great way to facilitate communication. We have tried to outline our procedures to help answer any questions that you may have. For those classes using agendas, we encourage you to check your child's agenda to verify homework, to determine due dates for future projects and, generally, to share messages to and from school.

Thank you for choosing Catholic education for your child. We look forward to a very positive, faith-filled year.

God Bless,

Sandra Reynolds
Principal
smcdsb.on.ca/olg

FAITH IN OUR SCHOOL COMMUNITY

Our Lady of Grace Catholic School Prayer

This brand new day is mine to spend exactly as I choose,

To mark with real accomplishment or squander and misuse.

To fill with love or tenderness or bitterness and pain,

It is my choice to make this day a total loss or gain.

So council and direct me Lord, that when this day shall end,

I may rejoice at work well done, be richer by a friend.

And when I sleep may angels pause beside thy throne and tell,

That I have spent this day not wastefully but well.

Our Parish Partners

We believe in fostering a strong relationship between your home, our school and our parishes:

Our Lady of Grace Parish and St. Joseph's Chapel. Our parishes work closely with our school community to provide your child with an education rooted in the Catholic faith. Throughout the year, there will be opportunities for our

students to participate in the sacraments, Mass and prayer celebrations. Our pastor, Father Mariush Runevich, visits our school and celebrates special events with our community.

Sacramental Preparation

We work closely with our parish community to support students, as they get ready to receive their sacraments.

Each year, students in Grade 2 have the opportunity to receive the Sacraments of Reconciliation and First Communion. Parents will work with Our Lady of Grace Parish and St. Joseph's Chapel to prepare for these sacraments. Our school supports and complements what children are learning at the parish through classroom teaching.

Students in Grade 7 have the opportunity to receive the Sacrament of Confirmation. Again, arrangements for this sacrament are made through the parish, but the preparation and celebration of the sacrament is an important part of the students' year.

POSITIVE SCHOOL CLIMATE

Student Behaviour

Our school has established some key statements to outline expectations around student behaviour.

Students at Our Lady of Grace Catholic School:

- Will be active, positive and enthusiastic participants within our Catholic community as we strive towards living the Gospel message.
- Will come to school on time and prepared to work with an enthusiastic and positive attitude, while striving to achieve their academic goals.
- Will be familiar with and practise the school procedures as outlined in this school agenda in addition to any policies outlined by administration during the school year.

- Will respect and obey those in authority within our school community. Students will address staff and visitors to our school community in a polite and courteous manner.
- Will respect fellow students as they listen actively, speak honestly and respond positively in the classroom, on the schoolyard and as ambassadors of our school in the community.

CATHOLIC VALUES: STUDENT RECOGNITION

Nurturing Faith at Our Lady of Grace

At Our Lady of Grace Catholic School, the students are continually demonstrating the many values of our Catholic faith. Sometimes it is through small gestures of service, love, and justice; while at other times we witness grand acts of compassion, truth, and forgiveness.

Dress For Success

Students will be participating in a wide range of activities – both inside and outdoors. It is important that they wear comfortable, durable clothing that is suitable for the weather.

Our school is special because we model ourselves after Jesus Christ. How we present ourselves must reflect our commitment to promoting a safe, positive and respectful learning environment.

Appropriate Dress Guidelines

The Our Lady of Grace Catholic School community must follow the dress code policy and dress appropriately and respectfully at school and all school-sponsored activities, i.e., Liturgies, field trips, etc. Students are to be groomed and clean and dressed in a manner that is appropriate for school activities with regard to exposure, cleanliness, and/or message.

The following choices are not permitted:

- Clothing or accessories with drug, alcohol or racist slogans, images and/or inappropriate language, either explicit or implied;
- Clothing and/or accessories which promote violence or gangs, either explicit or implied (skull slogans are strongly discouraged and may be questioned by an adult);
- Halter tops, tube tops, spaghetti straps (straps must be 3 fingers wide), muscle shirts, low cut tops, short shorts, mini-skirts (must be mid-thigh), any clothing which displays bare midriffs or torsos. Shirts and tops must be long enough to be tucked in at the waist.

- Pants/shorts worn below the waist or in such a manner that undergarments are showing;
- Hats, hoods, sunglasses, bandanas (around the forehead) inside the school.

Footwear

For safety reasons and to maintain cleanliness in the classrooms, students should have shoes to wear inside their class. Outdoor footwear is not to be worn in teaching areas. Students must have running shoes for gym classes. Open-toed shoes are discouraged.

SAFE SCHOOLS

Safe Arrival and Attendance

It is important that your child arrives at school safely and on time. Not only does it make things easier for our office administrator and classroom teachers, it also teaches your child the value of being punctual. Our Safe Arrival Program, which includes communicating with our office when your child is late or absent, helps ensure student safety. Please call the school or use the on-line safe arrival form on our website.

Compulsory School Attendance

Did you know that Ontario law states that children between the ages of 6 and 17 must attend school? We appreciate that sometimes there are circumstances beyond your control, such as illness, that might prevent attendance at school. However, these situations should be rare and the school principal will address prolonged absences.

If your child is away for more than 15 days consecutively due to illness, a medical note will be needed to maintain your child on the school register. There are many supports in place to encourage regular school attendance, including school counsellors, social workers, community agencies and an attendance counsellor. Please contact the school if you have questions or concerns.

Reporting Your Child Late or Absent

Please follow this simple, but critical process when reporting your child as late or absent.

Step 1 – phone our school at 705-424-1026 at any time, to inform us when your child will be absent or late. There is voicemail 24 hours per day.

Step 2 – leave your child's full name, teacher's name and the reason for the absence on the school voicemail.

Step 3 – when your child returns to class, provide the teacher with a note explaining the reason for your child's absence.

Step 4 – if your child is late, please direct them to the office where they will check-in and be provided a late slip for admittance to class.

Important Note: If your child regularly walks to school, it is assumed that he/she will attend class when buses are cancelled due to inclement weather. If you decide to keep your child home during an inclement weather day, you must use the process listed above to report your child's absence.

Safe Welcome Program

All of our elementary schools have front door intercom and video technology installed as part of the Ministry of Education's Safe Welcome Program.

The intention of the program is for all elementary schools in Ontario to have doors locked throughout the school day. This means that students who are late for school or return to school after an appointment will need to be buzzed in through the main entrance. This enhanced security measure provides us with one more way to monitor who is visiting our schools and help us ensure that all visitors sign in at the office.

Leaving Early

Students who are leaving school early must bring a note to their teacher stating the need for the early dismissal. Please try to avoid any last minute early dismissals. We try to limit interruptions to the learning in the classroom. At the time of dismissal, your child will proceed to the office to be signed out by a parent/guardian.

Morning Drop-off

Parents dropping off their children should not enter the schoolyard, but say goodbye at the school gates. If dropping your child off after the school day has begun, please bring your child to the office to be signed in.

School begins at 9:15 a.m. and supervision in the schoolyard begins at 9:00 a.m. Please do not drop your child off prior to 8:45 a.m.

Students will remain outside until the 9:15 a.m. bell, unless there is inclement weather. When it is raining or when the temperatures are extremely cold (-25°C or -28°C with the wind chill) students will be invited inside.

All students are to enter and exit the building through their designated door (the same door they use for recess). Students should only use the main doors (adjacent to the office) when they are being signed in due to lateness or signed out by a parent/guardian prior to the end of the school day.

Afternoon Pick-up

Our school day ends at 3:35 p.m. Please ensure you send a note to the school if your child is to be dismissed in any other way than normal. The office is a busy place at the end of the day. Please refrain from calling the office or waiting in the office after 3 p.m. With over 700 students, it is difficult to have a line-up in the office.

Bicycles

Students may ride their bicycles to school, but it is important that they are left locked in the designated bicycle racks. Wearing a bicycle helmet is mandatory and students must walk their bikes when on school property. Please note that the school cannot accept responsibility for damaged or stolen bicycles.

Skateboards, In-line Skates and Scooters

Skateboards, in-line skates and scooters are not to be used on school property. Scooters must be able to be locked to the bike rack during the day.

Riding the Bus

We are committed to providing safe and reliable bus transportation for those students whose distance from home to school one way is greater than 1.6 km. Riding the bus should be an enjoyable and positive experience for our students.

In order to ensure the safety of children riding the bus we ask the following:

- Students must take their bus home in the evening unless they have a note from a parent or guardian indicating that they can remain at school or walk home.
- Students are not permitted to get off the bus at any stop other than the one allocated to them.
- Occasionally, we receive requests from parents to allow their child to ride the bus in order to visit a friend's house. Unfortunately, we are unable to accommodate these requests.

Ensuring Safety on the Bus

It is helpful to periodically remind your child about the rules and regulations of riding a school bus. Although it is very rare, school bus privileges

can be suspended temporarily or permanently if a child doesn't respect the rules and regulations that are in place for the safety of everyone. Several bus behavioural reports can result in the removal of bus privileges. Here are some basic guidelines to follow:

- Your child must always enter the bus in an orderly manner and immediately find a seat. Once on the bus, he or she must always follow the instructions of the school bus driver and bus patroller.
- All students must remain in their seats when the bus is in motion. With children sitting quietly, the bus driver is free from distractions and able to focus on road safety.
- Parents are financially responsible for any willful damage to the bus caused by their children.
- Keeping in mind the safety of all riders, we ask that your child not bring any objects onto the bus that may hinder safe operation.
- Students must refrain from eating or drinking on the bus.
- Heads and arms must stay inside the bus at all times and aisles should be kept clear.

Bus Cancellations Due to Inclement Weather

On inclement weather days we urge you to visit simcoecountyschoolbus.ca or listen to a local radio station to find out if buses are cancelled. When buses are cancelled in the morning, they are automatically cancelled in the afternoon. Please keep in mind that our school is usually open for student learning even when buses are cancelled.

Know Your Weather Zone

Weather zones are used to allow for partial bus cancellations. Our Lady of Grace Catholic School is in the **Central Weather Zone**, with the exception of two buses from the **West Zone**. These buses may be cancelled separately. There are four weather zones and it is possible that buses will run in our zone, but be cancelled in another zone and so it is important for you to know your zone.

Custody

We are always concerned about the safety of your child. In some family situations, there may be custody issues, visiting rights and special instructions – it is critical that we be made aware of any such situation. Please ensure that the office staff and the classroom teacher are aware of legal agreements between separated or divorced parents and copies of current legal documents are on file in the office.

Emergency Situations

At Our Lady of Grace Catholic School, procedures are in place so that we are fully prepared for an emergency situation. Staff and students routinely practise these procedures. If it is necessary to evacuate the school, our students will be relocated to the Angus Arena. In the case of an emergency, transporting students to this location is the responsibility of the Simcoe Muskoka Catholic District School Board. In any emergency situation, our school would work closely with the school board and emergency personnel to provide updates via websites and the media.

In very rare circumstances, for example a power outage or loss of heat in the winter, we may be required to close the school early. In emergency situations or early school closures, your child may be picked up by you or an authorized designate. If a parent authorizes a designate to pick-up a student, the teacher would appreciate a signed and dated note.

Major Incidents

We know that being proactive and preparing for the potential of a major incident is a key way to keep our students and staff safe. As part of our safe schools initiative, Our Lady of Grace Catholic School has worked with the local police service to develop a response plan should a violent incident occur. This involves immediate contact with the police and a lockdown of the premises.

Although it is highly unlikely that something like this would occur, our staff regularly reviews and practises procedures with the students. Your child may mention to you that they were involved in a “Lock Down” drill because that is what our response plan is referred to within the school.

GETTING INVOLVED

Communicating With You

Establishing a positive and open relationship between parents, teachers and students is a critical part of achieving excellence in education.

We regularly send home communication to outline programs, activities and opportunities within our school community.

The Simcoe Muskoka Catholic District School Board uses the SchoolMessenger Communicate Tool to send messages and updates to our staff and families. These messages can be sent via

email, text message or phone. Our school will use this tool to send regular updates to families throughout the year and it will also be used by the Board or the school to communicate information during crisis or emergency situations. It is important that the school office has your most current email address and phone number on file so that you receive the messages in a timely manner.

You will also find information posted on our website smcdsb.on.ca/olg.

We always welcome opportunities for parents to have meetings with teachers and other school staff as necessary throughout the school year. The student agenda is also an excellent way to communicate with your child's classroom teacher.

Online Payment Using School Day

Our school is excited to offer online payment through a program called School-Day.

The system will enable parents to:

- Approve permission forms and pay online instantly
- Register your child for extracurricular activities
- Order and pay for hot lunches
- Reduce the amount of paper sent home in backpacks

If you haven't done so already, please obtain your family's secure key code from the school and visit www.school-day.com to register. Once you have registered you can pay for items and approve permission forms by clicking on the "School Day" quick link on our school website or logging in directly on the school day website www.school-day.com.

Contact Information

Please inform the school office if your address or any other pertinent information such as home or work telephone numbers change throughout the year. We need to make certain that our records are accurate.

Making the Most of the School Day

In order to promote the best learning environment possible, we ask that parents keep school day interruptions to a minimum. Planning in advance and maintaining regular communication through this agenda will help maintain a harmonious and smooth day at school.

- **Dropping off items** – parents are not permitted to go to their child's classroom to drop off items, check-in, etc. If you need to see your child for some reason or would like

to drop something off during the school day, you must check-in at the office.

- **Speaking with the teacher** – if you have questions, we encourage you to speak to your child's teacher, but we recommend that you arrange discussion for either before or after school hours. In addition, if you are making a change to your child's regular routine, please make these arrangements well in advance and communicate changes with your child's teacher in writing.
- **Last minute messages** – our office is quite busy during the day and so we urge you not to rely on us to get last minute messages to your child, unless it is an emergency.
- **Using the telephone** – students will not be permitted to use the office telephone unless they have permission from their teacher. If a phone call is necessary, it will be made by the teacher or another adult (this includes calls regarding illness or injury).

Catholic School Community Council

Our Catholic School Community Council is composed of parents, a teaching staff representative, a non-teaching staff representative, a parish representative, a representative from the community and the principal. Members are elected each fall and serve as an advisory body to the principal on many significant school issues throughout the year. Anyone is welcome to attend the meetings. Dates will be sent out and are available on our website. Please join us!

HEALTHY SCHOOLS

We know that parents want us to promote a healthy environment at school. This includes promoting healthy food options, opportunities for physical activity as well as minimizing exposure to illness – all of these contribute to better learning.

Scent-Safe Schools

Please be advised that a Scent-Safe Schools program is now in place for all schools and board office locations. This means that we are asking for the cooperation of students, staff and visitors in not using scented products in our working and learning environments.

We know that allergies and sensitivities to scents can have severe health implications and so we must do everything possible to make sure that all students, staff and visitors with scent allergies and sensitivities are safe and fully included.

A scent is a smell or odour from products and it can be natural such as flowers or synthetic such as perfume. Examples of products that may have scents include shampoos, deodorant, hairspray, soap, detergents, perfumes, lotions, candles and cleaning products.

Not using scented products is a simple thing to do and it will help ensure a safe and comfortable environment for all of our students and staff.

Accident or Illness

If your child becomes sick or gets injured while at school, we will contact you as soon as possible. If you are not available, or unable to be contacted, we will call the emergency contacts that you have listed in your child's record. It is essential that parents and guardians notify the school of changes to phone numbers or contacts.

Communicable Diseases

The *Health Promotion and Protection Act* requires that children with certain communicable diseases must remain at home. Unfortunately, we do not have the space or staff supervision for children who are not well enough to go outside at recess.

The following list defines some of the more common childhood diseases and how long your child should stay home if he/she becomes ill with one of these illnesses.

- **Chickenpox** - for 5 days after the rash begins or until all blisters have crusted.
- **Impetigo** - until the antibiotic prescribed by the doctor has been taken for at least one full day.
- **Pink-eye** - until the antibiotic prescribed by the doctor has been taken for at least one full day.
- **Scabies** - until treatment has been given.
- **Scarlet Fever** - until the antibiotic prescribed by the doctor has been taken for at least one full day.
- **Strep Throat** - until the antibiotic prescribed by the doctor has been taken for at least one full day.
- **Fifth Disease** - even though this is not a communicable disease, it should be reported to the office because there is a risk posed to pregnant women.

Visit the simcoemuskokahealth.org for more information.

Head Lice

Any situation related to head lice will be dealt with in a discreet manner, which protects the dignity of the children and privacy of families. Our school will educate students about

preventative measures and we will also send current information from the Health Unit home to parents.

We are asking parents and guardians to help us prevent incidents or the spread of head lice by doing the following:

- Examine your child's head for possible infestations at regular intervals.
- Notify the school of any infestations.
- Ensure that proper and full de-infestation takes place within a reasonable length of time.

The major signs and symptoms of head lice are: intense itching, frequent and persistent head scratching with scratch marks, or an apparent rash on the neck and scalp. Further information regarding head lice is available through the school office or by visiting the Health Unit's website at simcoemuskokahealth.org.

Immunizations

In Ontario, under the *Immunization of School Pupils Act*, you must provide proof that your child's vaccinations are current. When you register your child for school for the first time, you will be asked for a record of your child's immunization. Students, who don't have up-to-date immunization or a valid exemption on file at the Health Unit, may be suspended from school. You can find out more about immunization programs on the Simcoe Muskoka District Health Unit's website at simcoemuskokahealth.org.

Administering Medication

There are some students who require regular or special medication. We all want to be sure that your child receive any medication he or she needs. Our board has a medication administration policy, which states that no medication can be administered by staff without written permission from parents. Students may not carry medication with them at any time, with the exception of an EpiPen and/or inhaler which must be on the student. If a child requires medication we will gladly administer it, but only by assigned staff.

For medication to be administered, a consent and instruction form must be filled out. These forms and our board's policy are available at our office or on the board's website at smcdsb.on.ca.

HEALTHY EATING

Lunch

We are currently operating on a balanced day schedule. This means that students have two shorter nutrition breaks. Students have nutrition breaks at 11 – 11:40 am and at 1 – 1:40 pm. Both nutrition breaks include a 20 minute recess. Students will eat their lunch at their desk and will remain on school property, unless special permission has been granted. Students who walk to school may go home for lunch if they have written permission from a parent. For the safety of your child, we ask that a consistent routine be established with regards to staying at school or walking home during lunch. If your child is going to a friend's house for lunch, written permission is required from the parents of both children.

Students are not allowed to go to local stores/restaurants at anytime during the day unless picked up and supervised by parents.

Snacks

Students will be provided with time in the classroom to have snacks and drinks. All food and beverage must be eaten in the classroom and are not to be consumed in the hallway, gym, washrooms or outside at recess. We discourage students from using glass bottles and containers for their drinks and snacks.

Chewing Gum

Our school also has a no gum policy, which means that absolutely no gum will be allowed inside the school or outside on school property.

Allergies

Many children have allergies, but for some students an allergy can be life threatening. For example, even minimal exposure to peanuts can prove fatal within minutes. Some other common allergens include tree nuts, shellfish, eggs, milk and latex – all of these can cause severe reactions.

If your child has a severe allergy, it is absolutely critical that you let us know. With your help, we will do our best to reduce risk and make sure all our students are safe, healthy, and able to concentrate on learning.

Our staff is instructed on how to deal with anaphylactic shock. However, our best course of action is to prevent exposure to potentially life-threatening allergies. As a school community, we

must work together to ensure the safety of our students.

Here is what we are doing to reduce the risk of allergic exposure:

- All food and beverage must be consumed inside the classroom – under no circumstances are students allowed to have snacks in the schoolyard.
- Our school is a peanut and tree nut free zone. Please ensure that all food sent to school with your child meets the nut-free standard. This includes “pea butter” products. On request, we would be happy to provide you with a list of nut-free snacks and lunch ideas.
- Your child's teacher will inform you if there are other allergies in your child's classroom. We ask that you please understand and appreciate the health and safety of every student by not sending food and beverage items that may be a cause for concern.
- We do not allow any treats to be brought to the school from home. We have too many children with allergies and do not want to trigger reactions.

Selling Food and Beverage

We know that making healthy food choices while in school supports learning. The Government of Ontario has a school food and beverage policy, which has impacted the kinds of food and beverages we can sell at our school. The policy encourages selling lunches, snacks and drinks that follow the principles of healthy eating in *Canada's Food Guide*.

BEYOND THE CLASSROOM

Recess

Getting some fresh air and participating in physical activity at recess is important. Unless the weather is unsuitable, students are expected to be outside during recess. We cannot leave children unsupervised inside the classroom and so they must go out to the yard where supervision is provided.

Dressing for the Weather

We ask that students dress in clothing that is suitable for the weather – this is especially important during the winter months. Durable and warm clothing will help ensure that your child's outdoor experiences are enjoyable. It is also advisable to label clothing, i.e., mitts, hats and indoor shoes with your child's first and last name.

Yard Safety

While outside at recess, we expect students to play safely and respect the rules of the schoolyard at all times. During the winter months, it is essential to leave all snow on the ground. Throwing snowballs or kicking snow is not acceptable.

Bringing Personal Property to School

We request students not bring valued personal property to school including cell phones, trading cards, etc. These items can easily be lost or damaged. Please note that the school is not responsible for lost, stolen or damaged items.

Students should not bring money to school. If your child is required to bring money for school events or activities, i.e. milk, book fair, please ensure it remains in your child's school bag until the teacher collects it first thing in the morning.

Lost and Found

We encourage our students to check the lost and found for any misplaced items. If you know your child is missing something, you are welcome to check the lost and found yourself (please check-in at the office first). Unclaimed items are periodically donated to a local charity.

Field Trips

Students enjoy going on trips outside of the school. Field trips are a fun and informative way of providing your child with a new learning experience. Our board has a field trip policy, which you can find in the policy and procedures section of the website at smcddb.on.ca.

The classroom teacher will inform parent volunteers of responsibilities and expectations as well as appropriate strategies for dealing with misbehaviour. Prior to the field trip, the teacher will discuss the purpose of the field trip and learning outcomes for students.

Co-curricular Activities

There are various clubs and sport teams offered at the school. Many take place during lunch hour, as well as before or after school. These co-curricular activities provide opportunities for students to learn new skills and form friendships. They help to teach teamwork, co-operation and demonstrate school spirit.

In order to participate in co-curricular activities, students must make a sincere effort in their academic endeavours, and demonstrate acceptable levels of trust-worthiness. Students must conduct themselves in an appropriate manner both in and

out of the school. It is important for students to represent our school community by showing good sportsmanlike qualities and by dressing appropriately for the event.

Over the year, we may participate in local/regional sports teams. It is required that all students who participate must have proof of student accident insurance. Parents/Guardians are responsible for transporting their child to games.

SUPPORTING YOUR CHILD'S LEARNING

Homework

Homework is an integral part of a student's learning experience. In order to get the most out of school, students will be required, at times, to finish or continue their studies outside of the classroom. Research clearly shows that students who successfully complete homework achieve greater academic success in school.

On occasion, parents become concerned with the amount or content of homework assigned by the classroom teacher. If this is the case, please take the time to contact your child's teacher. It is recommended that all students take the time to read each night, and if possible, be read to by a parent or older sibling.

Your Child's School Supplies

During the course of the year, students will need a variety of items to ensure that they are able to complete their work and to support their learning. Some examples of these items are pencils, pens, paper and notebooks. At the beginning of the school year, we send home a list of items that your child should be bringing to school for their own use to supplement the basics supplied by the school. We greatly appreciate your support by providing these items to your child.

Library Resources

Our school is fortunate to have a library resource centre and a teacher to help students develop, refine and master research, computer and reading skills.

Students will have the opportunity to sign out books or resources. These items must be returned the next time they visit the library. Students will not be able to sign out new material until their previous items have been returned. If a book is

lost or damaged, it is expected that the student or parent will replace it.

Once your child has signed an Internet agreement, they will be able to access the Internet. All time spent on the Internet will be closely supervised.
